

MEXICO CARUSO DIES IN NAPLES

OPERA STAR UNDER KNIFE ON SUNDAY; RELAPSE FOLLOWS THOUGHT ON WAY TO RECOVERY FROM LONG ILLNESS. HEART GIVES OUT World Famous Tenor Had Remarkable Career; Married American Girl.

[BY ASSOCIATED PRESS.] Naples.—Enrico Caruso, world famous tenor, died here Tuesday. Caruso underwent an operation Sunday. He was extremely weak Monday afternoon, the weakness of his heart necessitating injection of strychnine. He died at 4 o'clock between the liver and the diaphragm which caused acute peritonitis. Caruso's wife and his brother were at his bedside.

The tenor, until a week ago, was on the way to recovery from his long illness, which began in New York last winter, when suddenly he had an unexpected relapse and was removed to Naples.

He arrived at Naples Sunday night and specialists who were called decided to operate immediately.

New York.—The last word received here from Naples was that Caruso was improving nicely and that his voice would not be permanently impaired by his illness. When the tenor sailed from New York for Italy on May 28, he appeared to still be very ill and weak, although his physicians insisted he would soon regard his health as better. Caruso's illness first began during last Christmas week when he suffered an attack of pleurisy, and was confined to his suite in the hotel Vanderbilt. His condition growing worse, he a few days later underwent an operation to relieve an accumulation of pus in the pleural cavity, exudate having collected between the pleura and the lungs themselves. It was deemed advisable to operate again for a secondary abscess. After these operations Caruso continued in a serious condition for more than a week, hovering between life and death. Early in February there was another sudden turn for the worse and he suffered an attack of heart failure. Specialists were constantly at the bedside of Caruso, fighting to save his life. They were aided by the use of oxygen, which was administered to the patient in an effort to carry him through the crisis.

Condition Improves During the latter part of February the condition of the famous singer improved slightly but steadily. It was necessary for him to undergo a third operation for another small abscess. A few weeks later he was removed to Atlantic City, where he rested preparatory to his return to Italy.

Word of the first illness of Caruso at the time he was stricken with pleurisy came as a shock to his many friends in this country and abroad as he had been singing with the Metropolitan opera company during the present season here and in Philadelphia and was enjoying one of the best seasons of his life.

Messages from all parts of the world inquiring as to his illness, were received at the Caruso apartment. They were sent not only by persons known in the world of music but from many admirers who had sat in his audiences at some time during the 25 years of his career as an opera star.

Up to the time of his sailing for Italy, reports were current that Caruso's voice had not withstood the ravages of his many weeks' illness. These were stoutly denied by his friends. Police reserves and dock guards had great difficulty in holding in check a great crowd of admirers as they greeted the tenor when he was aboard the steamship, where his most intimate friends bade him farewell.

When Caruso left for Italy he appeared content that he would return to America next fall and again would take his place with the Metropolitan Opera company. Early this month word came from Italy that Caruso was not recovering as rapidly as his friends had hoped and he was declared, but friends declared his voice was returning. Reports reaching Rome at this time said Caruso would be able to sing in New York by next fall. However, friends reluctantly said it will never be. Continued on page 5.

Firebug Is Active at Trailer Plant, Belief; Watchman Uses Bullets

[SPECIAL TO THE GAZETTE.] Edgerton.—Suspicious of a deliberate attempt to destroy the plants of the Highway Trailer and Automobile Axle company here were expressed at a meeting of the board of directors of the two companies Monday with Fire Marshal Sherry. The building of the Continental Axle company was destroyed by fire July 4, the flames apparently starting in the paint shop. On July 29, at 1:30 a. m., another fire was discovered by the night watchman, who was on duty. Investigation indicated the fire was of incendiary origin. It was disclosed that a rear window was opened and combustible material thrown on the top of a pile of lumber inside the building; at a point farthest away from the front offices and a few rods from the Newville road. A bloodhound from Mauston picked up tracks at the window but lost them at the road.

Two Boys Earn "Bikes"

The first boys to turn the trick and carry off a \$52.00 World Bicycle club by securing 25 new yearly subscriptions to the Gazette are Kenneth Johnson, Janesville, and William Carle, Fredonia. They are real salesmen and found people ready to assist them to the goal. A good start made on their own account and then with the assistance of the Circulation Department of the Gazette they pushed through to the finish with flying colors. They are now riding their wheels and enjoying that great possession—the dream of a young life, made doubly dear because through their own individual efforts they accomplished the great task and laid the foundation for success.

There are many other boys in the race working hard for a "World" bicycle and they can finish with the help of friends. The contest lasts until September 1st. If you want a bicycle and have not yet entered, write or call on the Circulation Department of the Gazette for blanks and information.

PLENTY OF "MOON" BEING SOLD HERE SHERIFF CLAIMS

WHY BLAME IT ALL ON POOR BELOIT? QUERY OF WHIPPLE.

PEDDLING EQUAL Cut Out Moonshine to Stop Accidents, Worthington's Advice.

"There is just as much moonshine as alcohol liquor sold in Janesville as in Beloit, in my estimation," declares Sheriff Cash Whipple. "The jail records show about an equal number of arrests and convictions for bootlegging and manufacture of moonshine in the Janesville district as in and around Beloit. They have a more troublesome situation in Beloit than in Janesville because of the larger number of aliens and negroes, but I am convinced that there is an equal amount of illicit liquor sold in both districts. To point out one district as being worse than the other is not substantiated by the facts as we have them at this office."

This was all the Rock county sheriff had to say regarding the allegations being advanced that Beloit is the center of booze making and distribution for Rock county.

County Board May Act The continued number of accidents and violations of laws on the continued on page 3.

Attorney General Holds Action Against Dry Law in State Is Improbable

[BY ASSOCIATED PRESS.] Madison.—A formal request will be made to Attorney General William Morgan this week by the Order of Camels and other saloonkeepers not represented by that organization to have him start action in the name of the state, asking that the new prohibition law be declared unconstitutional.

This announcement was made by the attorney general after consultation with P. J. Kolinski, representing saloon interests. Attorney General Morgan said nothing was shown to him by Mr. Kolinski Tuesday that would afford grounds for starting proceedings before the supreme court. He explained it would be necessary for the saloonkeepers to show definite grounds for expecting him to take part in the controversy.

"Little Likelihood." Should they point out constitutional objections to the law, he would be probably would take action. Otherwise he would refuse to enter proceedings. There is little likelihood of any attempt to secure an injunction against enforcement of the law, Prohibition Commissioner Smith explained Tuesday. He said the request would be to authorize the planning of memorial trees along the county highways. With both the Janesville and Beloit city governments cooperating, the memorial tree resolution was brought before the council Tuesday.

During the last meeting the resolution was offered without material success. It was filed and then, for getting in the haste of the council meeting, it was not taken up.

The highway committee spoke words of praise for the plans as did the other members of the board. It did not bring the resolution to light.

Session to be Short It is hoped by the former service men that the supervisors will move forward with the memorial tree resolution during the coming meeting.

Beyond reports and consideration of claims, it is not expected that the county board will be overburdened with business. The session opened at 10 a. m. Tuesday and may be ended that night. At the best, the August meeting will not last more than two days, say the county officials.

Over to November. The resolutions offered by the American Legion posts were laid over until the November meeting. Despite this fact, it was evident that the supervisors would likely create a fund for the tree building along the county highways.

A committee composed of Supervisors M. P. Richardson, W. J. Lathers and J. C. Wilson, was appointed by Chairman E. D. McGowan to report back at the November session.

Action in November will be in sufficient time for spring planting," said Supervisor Simon Smith. Beloit.

"I believe that at the same time some strict legislation should be passed to protect what trees we have got from destruction by the electric and telephone companies," declared Chairman McGowan. "Some of the finest trees in Rock county were slaughtered by the pole crews."

"We want the lights and telephones and we likewise want the trees. The committee is now working on the view of creating a fund in the budget."

"Other counties are doing it and I think it is a good idea," said Supervisor Simon Smith.

World Plant First Tree. Offer to plant the first memorial tree in memory of the war men in Rock county has been made to the Richard Ellis Post of the American Legion by W. J. Hill, making known his intention to the legionnaires.

Mr. Hill is a resident of Beloit. He is a member of the legion and is in favor of memorial trees. He will gladly pay the cost of the first tree and give it in memory of his son, Frank, who was the first Janesville man to die in the service.

The legion has accepted the offer and in turn conveyed the information to the county board. Frank Hill, a member of Company "A," died of pneumonia at Camp McArthur, Waco, Texas, shortly after his company sailed for France.

COUNTY IS SAVING \$9,000 PER MILE ON EDGERTON ROAD

ESTIMATE NEARLY 76 CENTS SAVED ON EACH SQUARE YARD.

PRAISE FOR MOORE Supervisors in Opening Session Here Laud County Highway Chief.

Supervisors hearing the report of County Highway Commissioner Charles Moore during the opening meeting Tuesday, sounded high praise of his work and financial accomplishments in building the Edgerton concrete road.

A following presentation of the road report, which showed the construction cost of the stretch laid from the Shoemaker pit to be \$1,885 a square yard, the county board heard resolutions for the pre-rating of state and federal aid this year to allow for extensive construction and repair work on gravel and dirt highways.

The report on the Edgerton road, which was checked and authorized by the state highway commission, indicates that the county is saving \$9,000 a mile by doing the work by day labor instead of letting a contractor.

Cost Statement Made. The amount saved again the Shoemaker pit was listed as being 16,150 square yards or 1.52 miles.

The total cost for the road was \$1,885 a square yard, the lowest bid offered in 1920 by contractors. The saving to the county is declared to be \$7,739 a square yard amounting to \$12,543 a mile.

Counting the work after the paving is laid, such as the preparing of the shoulders, which the county now does with a tractor.

The report shows the following figures:

	Cost
Cement	\$1,885
Gravel	\$1,885
Mixing and placing	\$1,885
Water supply	\$1,885
Hauling concrete	\$1,885
Preparing subgrade	\$1,885
Sundries	\$1,885

Paul Francis Work. The amount saved by the county in the Edgerton road is not fair to put in comparison with the contractor bid of \$1,885.

The county is building better roads with the money saved by the county board and the road commissioner are building them at less cost and I think they deserve utmost credit.

Other supervisors voiced their praise for the economical work as indicated in the cost statement.

The need of concrete for the road building is not a new thing, said Moore. We need concrete for our dirt roads on concrete roads and let the others become a menace to traffic. Our contractors have about completed their schedule of work and the contractor for the road building is now on the job for this year and next.

It is evident that the board will pass the resolution for allowing work to be done by day labor instead of by contractors. The resolution was placed with the highway committee.

Joseph Ross, assistant supervisor, offered a resolution for bridge work which cost the town \$285. C. O. Onsgard, Plymouth, offered a position for a new bridge on the road from Janesville to the town of Janesville. The bridge would cost \$17,400 additional costs on a bridge in his township. All the bridge and road petitions were referred to the highway committee by Chairman E. D. McGowan.

Funds for Bridges. Passage of the resolution offered by Commissioner Moore would mean extensive gravel and dirt road work in Rock county instead of limiting the highway committee to \$10,000 state aid.

Three bridges in the township of Edgerton were mentioned by the board on resolutions offered. The county and township each pay half. The resolution was placed with the highway committee.

CLAIMS WHISKEY WAS SOLD DURING STATE GOLF MEET

Alderman Fred Palmgren, Kenosha, now comes to the front with an allegation that golfers and those attending the recent state tournament in Kenosha found something with a long forgotten "kick and punch of the 1917 variety" at the tournament grounds.

The Kenosha alderman will introduce a resolution before the council demanding to know the facts about real booze being sold openly during the tournament.

It is claimed that there was not only bottled whiskey but also bottled booze as gin and wine sold. Even more than that was a real old-time bartender in attendance to mix the cooling and inspiring drinks.

"There is good indication that there were many who had their throats moistened during the tournament," says Mr. Palmgren, who is a member of the Kenosha Golf and Country Club. "I saw a man without once saying a word about home-brew or moonshine—not even the Beloit variety."

More Men Taken on at South Janesville—Freight Is Heavier.

Ten additional hands were put to work Monday on the track of the repair gang at the Chicago & Northwestern shops at South Janesville. It is expected that with the continued increase of business more will be gradually reemployed.

An additional switch engine will be put on at the local Chicago station. It was announced Tuesday by Superintendent MacDonald of the Madison division.

Mr. MacDonald, who went through the Chicago shops, also declared that Fred Hinde will be put back on as yard clerk commencing Wednesday.

Grain and coal are commencing to move in large quantities through Janesville on both roads. Freight business is exceptionally good at present with the St. Paul line operating an extra train to Mineral Point each day.

It is expected that the local yards of the St. Paul will be putting on more men within a short period.

PRELIMINARY MEET PROPOSAL DROPPED BY GREAT BRITAIN

[BY ASSOCIATED PRESS.] London.—Great Britain has dropped the proposal to hold a preliminary conference on Pacific questions and has agreed to participate in the Washington conference as originally suggested by President Harding, according to official circles here Tuesday.

This decision was reached after an exchange of conversation between London and Washington.

Great Britain has also agreed to the original date suggested, Nov. 1, Armistice Day, if President Harding state and to be the most suitable time, and will enter the conference without reservations as to the set program, it was stated.

SHEBOYGAN PRESS BUYS UP TELEGRAM

Sheboygan, Wis., Aug. 2.—Charles E. Broughton, editor of the Sheboygan Press, Tuesday announced the purchase of The Sheboygan Telegram, the oldest newspaper in this field and the two papers will be merged with the issue of Tuesday.

The Press was founded in 1908, with two competing newspapers. The Journal suspended during the war and the Telegram, which was purchased by the Farmers' and Laborers Publishing company from Frank A. Zulef, six months ago, decided last week to sell out. The deal followed.

STUDENT OFFICERS KILLED IN CRASH

Lawton, Okla., Aug. 2.—Captain J. M. McCrea, Los Angeles and Lt. Francis Nunemacher, Cal., student officers of the aerial observation school at Post field, were killed when their plane crashed about three miles west of Elgin, Okla.

BEAT WOODS FOR ESCAPED CONVICT WHO INJURED SIX

St. Peter, Minn.—Search was continued Tuesday for Frank McCoil, under 30 years sentence for murder, who escaped from the state prison here Monday night. Guards are beating the woods in the vicinity of the Minnesota river.

Six men, injured by McCoil in his dash for liberty, were said by hospital officials to be only slightly hurt. Five other patients who unsuccessfully attempted escape with McCoil, are in close confinement.

McCoil was dressed in street clothes when he escaped. He wore a brown coat and vest and blue trousers.

MILWAUKEE MILK PRICE IS RAISED

Milwaukee.—The retail price of milk will be raised from 10 to 12 cents a quart in Milwaukee, Aug. 5.

The price of pints will be raised from 6 to 7 cents. The price of a grade milk will be increased from 12 to 13 cents a quart.

Milk distributors announced the increase after action of the committee of arbitration between the producers and dealers, raising the price to the farmers from 10 for an 8 gallon can to 11.77, effective Aug. 5.

JAPS PROTEST Admission of Chinese Coolie Labor

Washington.—Wilmet Chilton, delegate from the Honolulu Chamber of Commerce, testified Tuesday before the house immigration committee that Japanese in Honolulu had contributed \$1,500 to pay his expenses and those of another labor leader to protest here against a resolution which would admit Chinese coolies to enter Hawaii temporarily to relieve the labor shortage.

STORY TO START IN GAZETTE SATURDAY

It is a hard proposition for the newspaper publisher these days to select a story that bears in its plot and telling the things that are clean and elevating. We have gone so far afield on social problems that real interesting stories that are clean, are hard to get. When they are all right they are often dull and stupid and lack entertainment. That makes it all the more pleasant for the Gazette to announce that beginning Saturday, August 6, a new story from the pen of Marion Rubincam will be given its introduction to readers of the Gazette.

It has to do with many angles of real life—it is intensely interesting—it is written well. Start it on Saturday with the Gazette.

The title, "The Love Radium."

THE WEATHER FOR WISCONSIN

Fair in northwest, probably showers in east and south portions Tuesday night. Wednesday, probably fair and somewhat warmer.

\$5,500,000 TOTAL MAIL ROBBERIES LAID TO BIG RING

SECURITIES COMPANY HEADS ARRESTED AS LEADERS.

26 MORE NAMED Firm Disposed of Stolen Bonds and Stocks, Is Government Charge.

BULLETIN. Chicago.—Bonds of the Sinclair Oil company, which recently disappeared in New York, and securities missing since the Toledo and Dearborn station, Chicago, mail robberies, were found Tuesday by the effects of the Central Securities company, whose leaders, John W. Worthington and Owen P. Evans, were arrested here Monday.

The Central Securities company, based upon these discoveries additional indictments against the men were asked.

[BY ASSOCIATED PRESS.] Chicago.—Federal officials said Tuesday that the roundup of the 26 persons named with John W. Worthington and Owen P. Evans in charges relating to mail robberies totaling more than \$5,500,000, was being pushed. They declined, however, to announce whether more arrests had been made.

Worthington, who has figured in several previous sensational cases, and Evans, a former bank examiner, were taken into custody at the Central Securities company, of which they were president and vice president. The district attorney's office indicated this concern was believed to be the medium through which stolen bonds and stocks in mail robberies of recent months had been sold.

Principal Robberies. The federal officials gave out a list of the principal robberies which they asserted were carried out by the hand whose operations they are seeking to break up. The list included:

\$1,000,000 stolen at Toledo, Feb. 17, 1921.

\$100,000 at Pullman, Ill., Aug. 20, 1920.

\$350,000 at Dearborn Street Station, Chicago, April 6, 1921.

\$500,000 at Chicago Avenue Post Office, Chicago, March 4, 1921.

\$212,000 at Mount Vernon, Ill., April 14, 1921.

\$200,000 at Toxona, Ga., Sept. 10, 1920.

\$350,000 at Council Bluffs, Ia., Nov. 17, 1920.

\$50,000 at Minneapolis, Dec. 3, 1920.

\$82,000 at Centerville, Ia., March 22, 1921.

It was also announced that the recent disappearance of \$3,000,000 worth of Sinclair oil stock in New York might be cleared with the organization.

In several of these cases, notably the Council Bluffs and Mount Vernon robberies, actual participants in the crimes have been convicted and sent to prison. In the case of the Pullman robbery, "Big Tim" Murphy, a Chicago gangster, had led the band of robbers, a close associate of Murphy is under arrest.

"Nothin' on Me." Waukegan, Ill.—John W. Worthington, arrested in Chicago on the charge of possession of altered or forged government notes, denied the charges here Tuesday.

"Faded away, boy, faded away," he exclaimed when a reporter asked him about the charges. "Those charges are bum. They have nothing on me."

Worthington was taken from the Lake County jail and taken to the night by a deputy U. S. marshal.

U. S. STARTS MOVE TO FEED RUSSIANS

[BY ASSOCIATED PRESS.] London.—W. L. Brown, European director of the American Relief Administration, will start for Riga Friday to negotiate a written agreement with representatives of the Russian famine committee, whereby the relief organization can start feeding a million starving Russian civilians.

It was announced Tuesday.

K. C. CONVENTION IN FULL SWING

San Francisco Entertaining "Caseys" and Ladies in 39th Meet.

[Special to this Gazette] The 39th annual international supreme convention of the Knights of Columbus has been announced by the general committee of the order, which opened here Tuesday, Aug. 21. The official program follows: Saturday, August 21. Visiting delegates, knights and ladies met at depots and piers by members of the Fourth Degree, Knights of Columbus. Sightseeing tour of San Francisco and vicinity in afternoon. In evening, a second and third degree exemplification took place at the Knights of Columbus building, under auspices of San Francisco Council No. 5.

Sunday, July 31. — Special Knights of Columbus services in all churches throughout central and northern California. Visiting ladies and third degree knights guests of the "Caseys" of Alameda county for a sightseeing tour of the city. In afternoon, a fourth degree exemplification took place at the Knights of Columbus auditorium. Following the initiation rituals, the Knights of Columbus Assembly drill team at the Fourth Degree, Knights of Columbus, St. Mary's Cathedral, for solemn benediction of the blessed sacrament. Bishop P. Keane, coadjutor-bishop of Sacramento, and Archbishop Edward J. Hanna, San Francisco, rendered the sermon.

Monday. — An all-day automobile tour of San Francisco and the Peninsula District took place. Luncheon served at Golden Gate park. The Falconer Hotel room was the scene Monday night of a reception and dance with the San Francisco and California Council Knights as hosts. Under town trips were made, under direction of the San Francisco police.

Tuesday, Aug. 2. — A monster military procession at 9 a. m. Old Mission Dolores church. Pontifical Mass celebrated by Archbishop Edward J. Hanna on grounds of Notre Dame convent, where Mass was first celebrated in California, five days before the declaration of independence. Augmented choir and a large stringed orchestra was to render music for the Mass.

The throng then will proceed to the city hall, in the civic center where keys to the city will be turned over to Supreme Knight James A. Flaherty of Philadelphia. Mayor James Rolph, Jr., of the city of San Francisco, will be marshal for the parade.

First business session will be Tuesday afternoon at 2 p. m. in the Colonial and Italian ballroom of the San Francisco hotel. All sessions open only to third-degree knights. In the evening a public reception and ball will take place in the San Francisco great civic auditorium. Henry J. McGarry is chairman of arrangements, assisted by Col. Thornwell Muttally and other prominent citizens. Concert numbers, musical and military bands, and an organ recital on San Francisco's municipal organ will feature. The principal addresses will be given by the personal representative of President Harding, Governor William D. Stephens, Mayor James Rolph, Jr., Archbishop Edward J. Hanna, D. D. Supreme Knight James A. Flaherty, and Supreme Director William P. Leekin of the Knights of Columbus. Units of American Legion and other war-veterans' organizations will be present in a body.

Dancing will take place in two large ballrooms of the auditorium, and a general reception held following the exercises, which will be attended by 20,000.

Wednesday, Aug. 3. — Business sessions will take up the entire day. In the afternoon, visiting ladies will be the guests of the ladies of San Francisco at an elaborate tea and social function in the Palm Court of the Palace hotel. The visiting knights and ladies will be guests in the evening at a theater party in the Savoy theater. Garry McGarry, the distinguished actor and K. C. overseas commissioner to Siberia during the war, will head his company in the romantic Irish comedy, "Peggy MacQueen."

Thursday, Aug. 4. — Final business session of Supreme Council will open at 10 a. m. at the St. Francis hotel. After luncheon, visiting delegates and ladies will be the guests of the San Francisco Knights on an excursion up Mount Tamalpais, over the crookedest railroad in the world. In the evening, farewell receptions and "Godspeed" affairs will take place. Knights of Columbus councils, with the main social function being held in the Colonial and Italian ballroom of the St. Francis hotel. The local American Legion will tender a luncheon to the supreme officers and directors of the Knights of Columbus.

Rate Clerk Is Hired by C. C. Traffic Bureau

With the addition Monday of A. G. Lockwood to the staff as rate clerk, the traffic department of the City Chamber of Commerce is in condition to deal with the large number of bills and claims which already have been turned over to it by local business houses. Mr. Lockwood comes here from Milwaukee, where he was in the traffic department of the U. S. C. & N. O. line of steamers. His work here will be in checking rates, bills, claims, and general assistance to Manager Jay E. Houck.

The increasing demand for the traffic service is increasing rapidly, declared L. O. Holman, manager of the chamber, Monday. With the growth of the bureau it is now possible to render tourist service free of charge to all members of the chamber. Persons planning trips of any length can buy their railroad and Pullman tickets through the bureau. In this way, it is explained, better and more personal service can be procured than by dealing directly with the roads. The bureau will also plan itineraries for persons desiring to go on tours, and get the best rates and information.

75 AT SHOPIERE ENDEAVOR RALLY

About 75 people, several from Janesville, attended the Christian Endeavor society district rally at the Shoppers' Cooperative church Sunday and Monday. There were several speakers. The guests were entertained in the homes.

RAIN IS HEAVIEST HERE SINCE JUNE 1

For the first time in more than two months, Janesville and vicinity was visited by a long and steady rainfall Monday. Starting in the early morning hours, heavy rain fell through this section of the country bringing decidedly cooler weather and soaking into the dry farm lands. Corn, which had gone to seed at the expense of healthy ears and was drooping picked up life promising a heavy crop. Tobacco, shooting up too rapidly, was checked somewhat giving promise of a better crop than anticipated. The rain was forecast in a drop in the temperature at sundown Sunday, a delightfully cool day. At 8 a. m. Monday the mercury stood at 61, the lowest for that day. It rose only two degrees by noon and then fell to 65 by 2 o'clock.

Holway Coming for Conference

Declaring that he is considerably interested in Janesville plans for erecting a community memorial building which would contain an armory, and also in plans for holding a field meet here in September for the national guard, southern Wisconsin, Adm. Gen. Holway has sent word to the Chamber of Commerce that he will make a visit here for a conference. His letter reads: "The situation at Janesville is of such importance that I hope and shall try to arrange a visit to you in the very near future, and during the interval to go carefully into the details of the fine military organizations which have their location in your city." The letter was in reply to one sent to the adjutant general by L. O. Holman, manager of the local Chamber of Commerce, inquiring what could be expected from the state in these matters.

WOMEN TO SERVE ON ELKHORN JURY

Both Sexes to Be Represented at Next Term of Court.

[Special to this Gazette] Elkhorn—The jury commissioners are replenishing the jury box with a new list of names. Under instructions from the court the list will include both women and men, and at the next term of court both sexes will be represented on the juries.

Dr. W. H. Lyon, physician for the International Harvester company, has been transferred from Akron, O. to Chicago. He is a son of Judge Lyon of Elkhorn.

Congregational Pastor Resigns. The Rev. Fred Harrison, pastor of the Congregational church, announced his resignation last Sunday. He will begin his pastorate at Elmhurst, Ill., the last of September.

The Walworth County Holstein Association has made the following entries for their state fair at Milwaukee: Bull, 4 years old or over, Lawrence Robers, Lyons; bull, 3 years old and under, A. P. Kaye, Walworth; and M. B. Cusack, Darlen, bull, 2 years old and under, J. G. Voss, Elkhorn. Adm. Gen. Holway has sent word to the Chamber of Commerce that he will make a visit here for a conference. His letter reads: "The situation at Janesville is of such importance that I hope and shall try to arrange a visit to you in the very near future, and during the interval to go carefully into the details of the fine military organizations which have their location in your city." The letter was in reply to one sent to the adjutant general by L. O. Holman, manager of the local Chamber of Commerce, inquiring what could be expected from the state in these matters.

4 animals. Walworth County Holstein Association, J. G. Voss, M. Westphal & Son, Heck Bros., A. P. Kaye, 4 cows in milk, J. G. Voss; calf herd, M. Westphal & Son, Heck Bros., A. P. Kaye; county Holstein herd, 10 head, Walworth County Holstein Association. The county herd will also be shown at the Walworth county fair.

Harold D. Hubbard and Frances C. Merry of Elkhorn were married at the home of his sister, Mrs. Francis Cory, Deloit, Sunday afternoon. The Rev. Mr. Evans performing the ceremony. They will occupy the new well house on Walworth avenue.

NORTHWESTERN CUTS OFF SEVEN TRAINS

Reduction of the number of passenger trains on the Chicago and Northwestern railway north of here started Monday. Two were taken off the line between Milwaukee and Fond du Lac and two between Milwaukee and Manitowish. A morning and evening train were taken off between Chicago and Milwaukee and one Sunday train. No changes will be made in the service with Janesville. It is announced here.

BOOZE SCHOONER IS CAPTURED BY U. S.

New York.—The schooner Henry L. Marshall, with cargo of liquor, was taken into custody Monday night, four miles off the coast, by the coast guard cutter Seneca, and brought here. The schooner was flying the Danish flag, but advised from the Seneca said there were no papers showing transfer to British registry.

The Equability of Insurance Rates

No insurance company could survive on special privilege rates. No community or town would be safe with such a rate basis.

A sound company and sound rate must be based on a sound average.

This agency offers you an authentic rate, and valued protection. It is based on a collective average which assures maximum protection to all.

Janesville, Wisconsin

SURVEY HIGHWAY 10 FOR GRAVEL PITS

U. S. and State Engineers on Evansville Road—Edgerton Road Progresses.

Preparations are complete for the pouring of concrete from the new gravel pit on the Cox farm to complete the last stretch of concrete pavement on the Edgerton road to Indian Ford. This is the last set-up of the mixing machinery necessary to run the job through to the city limits of Edgerton.

The county construction force is 2.7 miles from the point above Indian Ford at Rock River where the paving ends. State and federal engineers are prospecting for gravel and sand material along the Evansville number 10 highway this week. This indicates that both the state and federal road engineers desire the Evansville road to be built next year and appropriations will be made to aid the county in building this important trunk line highway. There is still due Rock county nearly \$100,000 state and federal

BABY CARRIAGE IS USED TO HAUL "MOON" SIX ARE ARRESTED

Celebrations in a baby carriage and perambulators is a new wrinkle among bootleggers. Such a scheme was worked at a Kenosha picnic—but it did not work, for there was free-for-all fight. The police were called and the boys were pinched including the owner of the perambulator.

LEGION PROTESTS HOSPITAL REPORT

Sheboygan.—A joint or impartial commission is requested by Col. Ward J. Barrett, Wisconsin head of the American Legion, in an emphatic protest to United States Senator La Follette over what he termed "a washing" of public health officials, wrongdoing at West Haven hospital, Waukesha. "Charges made by various members are too serious to be dismissed as partisan report," Colonel Barrett protested. "We desire an impartial commission to investigate thoroughly the conduct of medical officers at the sanitarium in the treatment of ex-service men."

ANNOUNCEMENT

We desire to announce that we are the exclusive distributors for Janesville and vicinity of the famous

Hydro-Toron Tires

Guaranteed 10,000 Miles

against Stone-bruise, Rim-cut and Blow-out

Supporting this unusual guarantee are the two principles of construction which have made Hydro Toron a sensational success.

1—The wonderful Internal Hydraulic Expansion Process: the tire is built on a collapsible iron core which is replaced before vulcanizing, by a heavy fabric bag made to hold water under pressure. When in the vulcanizer, this bag is pumped full of water heated to the right vulcanizing temperature and the right pressure of 200 pounds to the square inch is applied inside the tire.

2—Every layer in this tire is Toron fabric—a treatment that absolutely water proofs each particle of the fabric, increases tensile strength practically one-third, increases by 50 per cent the holding power of layers, treads, etc., to each other and prevents oxidation, rot and decay in all their forms. Hydro Toron Tires represent Cord size—Cord mileage—yet they sell at

Standard Fabric Prices

No hidden imperfections—blisters, bulges, skips, etc., no "seconds" turned out of this factory. The right uniform pressure from within results in a smooth evenly built tire. Stone bruise, rim-cut and blow-out are nearly always caused by concealed faults in the tire. Our method of building enables us to guarantee against them.

Hydro Toron treads are all Non-Skid made of pure white rubber and is so tough and resilient that you can only cut it with a sharp knife. Ordinary gravel or stoney roads do not cut them to pieces in a few miles.

Don't Buy another tire until you have thoroughly investigated this one.

SUPERVISORS HEAR APPEAL FOR PARK

Board in Adjourned Meeting
Asked to Buy "Carver's Rock"

By a vote of 23 to 14, the Rock county board appropriated funds and authorized the purchase of approximately 15 acres of land at \$250 an acre on the J. E. Sprackling farm, near the county farm, for the long-planned county tubercular sanitarium, Tuesday afternoon. The purchase is to be made within the next two weeks, ending a campaign of a number of years.

Members of the Rock county board convened at 10:30 a. m. Tuesday for an adjourned meeting to clear up pending business before the regular November session, when the budget and county finances are the big issues. The meeting opened with nine members absent but five of them came in after roll-call.

Option on Land.
In the afternoon the supervisors heard the report on the joint building and county tubercular sanitarium committee on a location for the proposed hospital which has been talked about for five years without even a blue print resting.

The committee reported an option on a site and will offer resolutions to authorize the purchase of the property.

Seek Public Park.
Also the county board will be asked to take action to obtain the property known as "Carver's Rock" on Turle creek to be established as a public park—if the backers of the move are successful. The strip of land, which is a beautiful glen with rock formations, is owned by the James Duthie estate.

The county board was in a good mood to spend a little money for equipment for a computing machine was ordered for P. A. Taylor, assessor, and County Clerk E. W. Taylor, \$500. With this ordered Assessor Taylor then skillfully brought out the need of a new filing system to cost "a few dollars." "A little matter of between \$400 and \$500," it was stated.

Supervisors Agreeable.
"Our thing system should be abolished or demolished," said Mr. Taylor. The board agreed with him. "Anything to clean up the assessor's office," it was said by the committee.

COUNTY BOARD NOTES

Supervisors going into the board room took the same old seats. Old members have certain specified places and the recruit members never infringe on the old timers and their chairs.

Perrigo Returns.
W. S. Perrigo, live-wire member from Beloit, is just back from a California trip. He smiled—more than ever and wanted to get the supervisors over in the corner to tell them of his Los Angeles.

"I was with Roy, Jacoby, Willmann, and he is a mighty good traveling companion," said Supervisor Perrigo.

Few Mistakes Made.
When the roll was called—no "up your dander" there was not a supervisor who made the usual break of answering "aye" instead of "here" or "present." There was but one error during the meeting.

Taylor Successful.
The salesmanship methods used by the assessor Taylor in getting appropriations for needed equipment rather amused the board members. The assessor made sure of a computing machine before he mentioned a new filing system. He'll get both.

Economy Talked.
Economy is being talked by the most of the board members. They are wondering what the county budget will be in November and they all say, "we'll have to cut to the bone this year."

Smith on Job.
Simon Smith, oldest member on the board in years of membership, was on deck early. He gathered his finance committee together during the noon adjournment for a conference on money bills.

"It Comes to Life."
Even the buried and forgotten county agent issue bobbed up again in the session when the clerk read a belated petition for the establishment of the office from the milk producers' association.

Sell More Bonds.
The finance committee was authorized to sell an additional \$50,000 worth of the highway improvement bonds for road purposes. The county now has sold \$200,000 of the bonds. The finance committee is confident that the new bonds can be sold over the counter with local advertising.

Crops Cause Kicks.
All the farmer members of the board are downhearted over the crop conditions. Between dews, poor weather, drought and the lack of markets, the farmers have considerable to wall about, agreed the city members.

BLANK TO MEET.
Regular meeting of the local lodge of Elks will be held at 8 p. m. Tuesday.

CARUSO IS DEAD ON VISIT TO ITALY

(Continued From Page 1.)

be quite the same again." Caruso also was reported to be living a secluded life in a hotel near Naples, never mixing with the other public guests and taking his meals in his private suite.

Death Is Shock.
News of Caruso's death on the heels of continued reassuring reports from Italy came as a stunning shock to the music loving world. Only last Sunday photographs of the singer in Italy were published here and they showed him cheerful and apparently in robust health.

When he was critically ill last winter he often expressed the wish that if he had to die he would prefer to be in his own sunny Italy, for which he always held a deep affection.

Had Great Career.
Caruso, for more than 25 years a celebrity in the song world, was known to "the golden voice," idolized by millions in America and abroad, had an artistic career as well known as that of any famous statesman. He was born in Naples, Feb. 25, 1873, the son of Marcellus Caruso, a mechanic, who detested music but was persuaded to permit his son, when 11 years old, to sing in the churches. For three years he studied under Guglielmo Vergine, pledging his teacher that when he was ready for a professional career he should pay him one-third of his earnings for the following five years.

He made his debut in "L'Amico Francesco" at the Nuovo theater, Naples, in 1894, later touring Italy and Sicily and was engaged for four seasons at La Scala, Milan. Subsequently he sang in St. Petersburg, Moscow, Warsaw, Rome, Lisbon, Paris, London, and leading cities of Germany. When he came to the Metropolitan Opera House in New York Nov. 23, 1903, the critics did not go into ecstasies over him. One of them wrote, on the opening night, "Signor Caruso (as the Duke in 'La Gioconda') has many of the three-some Italian vocal affectations and when he neglects to cover his voice, as he always does when he becomes strident, his voice becomes pallid."

Got Huge Salary.
"Although no official statement of his earnings was ever made public, it is known that Caruso, at the height of his Metropolitan career, was receiving an average of \$3,000 for each performance. One special engagement at the Metropolitan in Havana, he was paid \$10,000 a night.

The list of Italian and French operas in which the famed tenor sang some figures since he first sang in New York revealed an amazing versatility. In 16 years he sang no less than 549 times. In one season, 1907-08 he made 51 appearances, a great test of endurance for any voice. He was unsparing, if not reckless, of his vocal powers. No grand opera tenor in America, from the days of Brignoli, Campanini, Ravelli, Tancini and Jean de Reszke, it is recorded, ever reigned so long in popular favor.

**EVANS, VETERAN OF
CIVIL WAR BURIED**
Funeral of former alderman C. E. Evans, who died Sunday at the age of 75, was held from the home, 1202 Ravine street, Tuesday afternoon. Mr. Evans was a veteran of the Civil war having served for three years with Troop "C," 11th regiment, Pennsylvania Cavalry.

The Rev. J. W. Kohler of Fulton officiated at the services. Assemblyman A. E. Matheson made a brief address.

The bearers were George Suderland, Eugene Fish, Harry Gerbut, John Harlow, John Stevens and William Tallman.

There were many beautiful floral pieces sent by the Masons, Elks, U. C. T., Western Star, Grand Army and the W. R. C.

**CAMP ROTARDALE
BOYS RETURN HOME**
Dark as Indians and with the healthy look of outdoors, 40 boys who attended the second summer encampment of Rotardale camp at Lauderdale, returned home Monday night in cars provided by the Rotary club.

Reviewing the success of this year with that of last, A. C. Preston, camp director, stated that it was more successful due to the great leadership and the general organization and the fact that more boys were given an outing.

The tent were taken down and the camp closed up for the winter. The big house donated by the Samson Tractor company will remain as the owner of the property has given assurance that the site may be used for the camp again next year.

**LAKOTA LAY PLANS
FOR AUGUST PICNIC**
Plans for the Lakota club's August picnic took form at the regular meeting Monday night when President Roy Langdon appointed the following committee to take charge: Frank Kennedy, chairman; William P. Langdon, William Brockhaus, Louis McCarthy and Howard R. Clithero. One candidate, Burton V. Borusak, was elected to membership.

OBITUARY

Funeral of Mrs. L. W. Johnson
Short services for Mrs. L. W. Johnson were held at Ryan's undertaking rooms Monday at 6:30 p. m. The body was then shipped to Grant's funeral services and interment will take place Wednesday.

Charles Robert Robinson
Funeral services for Charles Robert Robinson, who died early Sunday morning at his home, 311 West Milwaukee street, were held at St. Mary's church Tuesday morning. Rev. Francis Pienagren celebrating high mass.

The F. O. E. lodge, of which he was a member, took charge of services at the grave in Mt. Olivet cemetery.

The pall-bearers were all brother Eagles: Timothy McKelena, Thomas Abbott, Charles Dickinson, William Hart, James Joyce and Edward Fosse.

Mrs. John Brennan and family.
Monroe, were among those from out-of-town attending the funeral.

John Stevens
John Stevens, Waupaca, brother of Charles Stevens, the city and a former resident, died July 27 at the Veterans Home there. Interment was in the soldiers cemetery there. He is survived by his wife, a sister, Mrs. T. Z. Sherwood, Fairbault, Minn., and a brother, Charles Stevens, Janesville.

Mrs. Joseph Neuman Ennis
Mrs. Joseph S. Ennis died at her home in Spring Valley at 7 p. m. Monday after an illness of one week. A son a few hours old was buried last Wednesday. Mrs. Ennis, who before her marriage was Helen Noon-

nan, is survived by her husband and one daughter 2 years old.

Mrs. Ennis was 33 years old and was married three years ago. Besides her immediate family, she is survived by her father, Patrick Noonan, Magnolia; two sisters, Mrs. Arthur Ennis and Miss Anna Noonan, Magnolia; and one brother, Harold, Beloit. Mrs. H. C. Wooster, Janesville is her sister-in-law.

Funeral services will be held Wednesday at 10 a. m. from the Footville Catholic church. Interment in Mt. Olivet.

**EASTERN MAN TAKES
UP C. C. WORK HERE**
Leroy J. Harnish, Pittsburgh, newspaper man, now a student at the American City Bureau summer school at Madison, is attached to the local Chamber of Commerce for two weeks to study chamber methods. He plans to enter Chamber work.

Classified Advertising

CLASSIFIED RATES
2 cents per word for the first insertion; additional insertions until user to discontinue.
(Six words to a line)
NO AD TAKEN LESS THAN 35c ON
Display Classifieds 12 lines to the inch.
CONTR. R. RATES furnished on application at the Gazette office.
Ads may be left at Editor's Office, and receive prompt attention.
NOTICE TO ADVERTISERS.
Errors in want ads will be corrected, and an extra insertion given without charge, if made before the first insertion.
Closing Hours.—All want ads must be received and placed in the office before 10 o'clock. Local items accepted up to 12 o'clock.
Telephone orders, always ask that it be repeated back to you by the editor, to make sure that it has been taken correctly. Telephone 77, Want Ad Department.
Keyed Ads.—Keyed ads can be answered by 10 o'clock. Answers to keyed ads will be held 10 days after the date of the first insertion. The advertiser is responsible for the accuracy of the information given. The Gazette reserves the right to classify all want ads according to its own rules governing classification.
TELEPHONE YOUR WANT ADS when it is more convenient to do so, as the bill will be rendered to you as this is an accommodation service the Gazette expects payment promptly on receipt.
Persons whose names do not appear in either the City Directory or Telephone Directory must send cash with their advertisements.
BOTH PHONES 77.

Lampert Sees Big Bowling Year Here if All Cooperate

Copyright 1920 by Geo. McManus.

"STOP JEALOUSY" SECRETARY URGES IN ANNOUNCEMENT

Anticipating a good year in bowling in Janesville, Harold M. Lampert, secretary of the Janesville Bowling Association, has issued an announcement in which he urges cooperation. In an announcement made from a hospital at Madison where he is recovering from two operations, Lampert summarizes the past season as a success despite handicapping business conditions.

The bowling season of 1920-21 was very good, he says, considering the business depression, he states. "It was really the first season with organized bowling and the new rules, regulations and by-laws worked out fairly well."

"However, there is room for improvement. It is up to the bowlers in Janesville to get together, cut out petty jealousies and personal animosities and to see that they expect to have organized bowling in Janesville."

Requires Real Work

There are 217 memberships in the Janesville Bowling Association, according to Lampert's books. Commenting on this, he says: "This is a good record and if the bowlers expect to better the coming season, they will have to do some real work. The city league, besides completing its long schedule of 84 games, paid to the bowlers some real prize money. The city league association paid every cent of prize money promised the beginning of the season for team and individual prizes. \$441.60, related to the money to seven teams, amounting to \$70; paid cash prizes each week amounting to \$84; and secured special prizes each week, of high score, amounting to \$25. This policy of cash prizes and paying the alley keepers for bowling when a team forfeited or for non-appearance seems not only fair but with the general approval of the bowlers."

"The treasury of the Janesville Bowling Association is in a shape with ample funds to begin the season of 1921-22."

Two Teams to Toledo

For the first time in its history, Janesville was represented at a national bowling tournament when a team went from here to Buffalo, Lampert points out. In recommending that two teams be sent to the national meet at Toledo next spring, he also summarizes that local teams were at all the important tournaments in this vicinity and especially at the state meet at Milwaukee where seven teams went up, bringing back \$150 in prizes.

As a member of the executive committee of the Wisconsin Bowling Association, Lampert announces that the record of 500 entries to the state meet will be broken when the journey will be held at Madison next spring. He urges the sending of at least 15 teams from Janesville to the state class. Madison expects to put in 400 teams, he says.

May Hold Meeting

It is probable that a general meeting of the members of the Janesville Bowling Association will be held the last part of this month or the first week of next. Several changes are essential in the rules, regulations and by-laws to clear away doubts that have been expressed during the past season.

Hones are held by the leaders of the alley game that the city league will have a good start. The industrial league will continue with the same teams and by-laws as last year, keeping its ranks closed to the same class of bowlers.

ONLY FOUR HOMERS MADE ON MONDAY

Home runs were a scarce article in the three leagues Monday. Only three were made in the majors. Those who got them were Baker, of the Yankees, Welch of the Athletics and Powell of the Braves. Mean of the Cardinals connected with three doubles. The only four bases made in the association was credited to Whelan of St. Paul. In all there were only 62 extra base hits with triples down to nine.

Homers—Majors, 3; association, 1; total, 4.

Triples—Majors, 5; association, 4; total, 9.

Doubles—Majors, 25; association, 14; total, 39.

ONE-HIT SHUTOUT MADE BY BUSH

New York's only shutout faced by Bush of the Boston Americans his one hit shutout victory over St. Louis Monday. The two men who reached first base did so after two errors in the Athletics and the man were out. Six of the Browns were struck out. Bush is the first American League pitcher to pitch a one hit game this season.

RUTH AMUSES FANS KNOCKING OUT FLIES

New York's "Dab" Ruth has inaugurated a new before the game pastime that has sent his stock up 100 per cent in the estimation of youthful fans.

During batting practice in the Cleveland series "Dab" has been taking old balls from the umpire's sacks, putting them in front of the visiting team's dugout and lambasting them into the upper tier of the right field stand and the right field bleachers.

BIG LEAGUE RACES TIGHTENING SHARPLY

Races in both the big leagues are commencing to get more interesting. In the American, Cleveland is leading New York by a margin of only five points with the Yankees putting up a strong climbing fight and pressing the World's champions in a merry chase while Washington is lagging a bit in third place. The Senators, however, are still good for a sprint and are to be watched.

When it comes to the National, the race is a bit tighter. Pittsburgh, the clotting Smokey city aggregation, is on top with a 12-point lead over New York while Boston is not so very far behind in third place with Brooklyn commencing to climb. The best indications are for the Pirates to clinch the pennant in the older league.

Louisville, Minneapolis and Milwaukee are leading a merry race in the association. The Colonels, led by the Millers, by 27 points, and the Brewers by 27. If we knew Joe Cantillon at all, we can predict that the Millers have a real chance for coping the bunting.
